YOUNG, Andrew	Lorraine Motel	SA [redacted]
I-58	Was in courtyard and saw King on balcony. King spoke to Jones. Heard sound like firecracker, looked up, and saw King lying on back on balcony. Ran to King. Looked across street but saw only police. Checked pulse, which was strong, but King was losing blood rapidly. Thought shot came from bushes on west side of Mulberry. No other information.	

Young, Rev. Andrew	Lorraine	
VI-21	at a strategy meeting morning of 4/4
